

Would you like to visit us in the Danish-German Borderland?

We invite groups from Germany and all over Europe to the region to show them the competences of the German-Danish borderland and the minorities.

For a comprehensive understanding, it is not only important to get to know the minorities' institutional structures. It is also vital to meet personally with the minorities' members.

Connected across borders

For more German-Danish and Europe-wide understanding: Since 2020, the Minority-Competence-Network Schleswig-Holstein/South Denmark e. V. (MKN) connects the minority and the majority population in Schleswig-Holstein, South Denmark and Europe.

Based in the Sankelmark Academy Centre, the regional and cross-border network offers various activities by and for national and regional minorities in the German-Danish border region.
